4 one of the program vendor and the credit card
5 issuer so as to form a call, if answer to step 11)
6 is no; and
7 aa) determining if the call is made within a
8 predetermined time, if step z) is carried out.

1 13. (original) The method as defined in claim 12; further
2 comprising the steps of:

3 bb) requesting, by the credit card holder, redemption
4 of the points accumulated, from the at least one of
5 the program vendor and the credit card issuer, if
6 answer to step aa) is yes; and
7 cc) returning to step w), if step bb) is carried out.

1 14. (original) The method as defined in claim 13; further
2 comprising the step of:

3 dd) forfeiting automatically, the points accumulated,
4 to the at least one of the program vendor and the
5 credit card issuer, if answer to step aa) is no.

1 15. (original) The method as defined in claim 1; further
2 comprising the step of keeping, by the at least one of
3 the program vendor and the credit card issuer, the set
4 interest for cost of operations.

1 16. (original) The method as defined in claim 1, wherein said
2 step of paying out, by a credit card issuer, as per an
3 agreement between the credit card issuer and a program
4 vendor, a percentage of credit card sales at a
5 predetermined period, to the program vender includes
6 paying out, by a credit card issuer, as per an agreement
7 between the credit card issuer and a program vendor, a
8 percentage of credit card sales at a predetermined period
9 being one of monthly and quarterly, to the program
10 vender.

1 17. (currently amended) The method as defined in claim 1 6,
2 wherein said step of checking, by the credit card holder,
3 the account balance includes checking, by the credit card
4 holder, the account balance, by one of telephone and
5 Internet.

1 18. (original) The method as defined in claim 11, wherein
2 said step of sending, by the at least one of the program
3 vendor and the credit card issuer, the check directly to

4 the school includes sending, by the at least one of the
5 program vendor and the credit card issuer, the check
6 directly to the school that receives a distinct code
7 number.

1 19. (original) The method as defined in claim 11, wherein
2 said step of confirming, by the at least one of the
3 program vendor and the credit card issuer, to the credit
4 card holder, that the check has been sent out so as to
5 form a confirmation includes confirming, by the at least
6 one of the program vendor and the credit card issuer, by
7 one of mail, e-mail, and the telephone, to the credit
8 card holder, that the check has been sent out so as to
9 form a confirmation.

1 20. (original) The method as defined in claim 12, wherein
2 said step of calling, by the credit card holder, the at
3 least one of the program vendor and the credit card
4 issuer so as to form a call, includes calling, by the
5 credit card holder, the at least one of the program
6 vendor and the credit card issuer, by one of automated
7 telephone and the Internet so as to form a call.
